

The Christian Center Spring Indoor Soccer League

Registration Kicks Off
Monday, Jan. 11 online and in-person

THE PROGRAM

The program is very instructional in nature and each player will learn basic soccer skills. Shorter fields and reduced-size teams allow for every player to touch the ball and be an active participant. Two of our major goals are for your child to have fun and to hear the life-changing message of Jesus Christ. Your child will also be challenged to learn Bible verses each week.

The season will run March 8 to April 27. One practice / game will be held each week
